Mission

EIS is dedicated to complete customer satisfaction through delivering high-quality and innovative services and solutions.

Commitment to Excellence

EIS' dedication to providing complete customer satisfaction is reflected in our commitment to developing an in-depth understanding of our customer's mission and requirements. We maintain a highly motivated professional workforce, skilled in the disciplines that complement our core businesses. EIS has an exemplary track record of providing one hundred percent customer satisfaction through the delivery of high quality services, on schedule and at or below budget.

Goal

To be a preferred Systems Engineering, Information Technology and Program Management support services contractor to the Federal Government.

Guiding Principles/ Core Values

EIS is committed to conducting business with honesty, integrity, and a dedication to excellence. We ensure client satisfaction with high-quality products and services that are delivered on schedule and within budget. We promote staff satisfaction through challenging work, excellent compensation, and individualized career development.
